Record of teaching *PeaceWorks* lessons

Generally, *PeaceWorks* lessons should be taught a *minimum* of 15-30 minutes per week, for at least 13 weeks, to achieve the outcome of improvement in social-emotional skills. At all ages, especially in the younger grades, successful implementation requires teachers to apply and reinforce the lessons' content in response to routine conflicts and other teachable moments. Merely teaching the lessons by a schedule will accomplish little long-term change if students do not learn how to apply the knowledge in everyday situations.

Pre-K: 1-2 lessons per week, 10-15 minutes per session, daily reminders
Grades K–2: 1-2 lessons per week, 15-20 minutes per session, daily reminders
Grades 3-5: 1-2 lessons per week, 20-30 minutes per session, daily reminders
Grades 6-12: 1-2 lessons per week, 30-45 minutes per session, daily reminders
